Golf Shop

2021 GOLF SHOP ROUND UP

The golf shop had an incredible year despite inventory/production challenges facing the industry. We hope 2022 is back to normal and we can actually receive product in a timely fashion.

Golf experienced significant growth through COVID and the same was seen at Silo in terms of membership and rounds played.

The weather has been nothing short of incredible for golfers as temps continue to climb into the 60's in late December. Please keep in mind that tee times are limited with shorter days and pace of play is paramount. KEEP UP AT ALL TIMES OR ALLOW FASTER GROUPS THROUGH.

Please check with your golf staff before making golf purchases elsewhere. We have a knowledgeable staff on club fitting plus state of the art technology to use in the fittings. We don't make a ton of money on golf clubs but we do care about your golf games.

Your 2021 golf shop credit will not expire December 31st as in year's past. Credit will remain on your credit book and can be used anytime. Yes, we would love for it to be used in 2021 but not mandatory. Your Red Gift Cards do not expire.

Take Note of the Dates on the next page and enter them in your phone, computer, or desk calendar.
